Outdoor Kitchens, Patios, Pool Sides

SÉURA®

Outdoor Television Technology

Meet Storm™, the perfect partner for an outdoor lifestyle. Storm is available in 42", 47", and 55" screen sizes. All models boast vivid colors and 1080p high definition for the clearest, most beautiful picture in an outdoor solution. Experience a new way of outdoor living with Séura's Storm™ outdoor television.

LuminOptics™ Technology

Séura's exclusive LuminOptics™ technology delivers a remarkably clear picture even in direct sunlight.

- Ultra-bright display offers vivid color and clarity in sunny environments.
- Anti-reflective tempered safety glass reduces glare for a shine-free picture.
