

WHEN ENHANCING AN EXISTING HOME

When to use a surface-mount Forté A-BUS hub:

- Enhancing an existing home
- Single-source, multi-source or multi-zone system is desired
- 4 zones or less (expansion hub is available for additional rooms)
- Hub is located near TV or Home Theatre. Minimal to no heat, Forté A-BUS is ideal for use in a cabinet
- Source components are centrally located at the hub
- Forté Intercom™ is connected (single-source only)
- Integrating with an A-BUS/READY™, AV Receiver

With Your Existing HiFi.

Your existing hifi system or A-BUS/READY™, AV Receiver is the starting point for A-BUS. It can be as easy as one simple connection.

Why Forté A-BUS?

- Easy to install
- Plug & play, no programming is required
- A-BUS Dataline (DL8) cabling is low cost, and uses minimal speaker wiring from the keypad
- Amplified keypads are star wired to the hub

and the power supply is centralized

- Keypads can fit into standard electrical wall boxes and come with screwless faceplates
